

TRADE IN PROGRAM

Ray-Tech Infrared is running a special trade in promotion for 2022. It has been increasingly difficult to procure and stock obscure and discontinued components for older machines that we have previously serviced and sold parts for. This includes but is not limited to all Poweray Infrared models and any Ray-Tech Infrared models built prior to the year 2000.

Starting August 1, 2022, Ray-Tech Infrared will no longer guarantee the availability of parts for the above mentioned models. We will continue to attempt to locate these components, but don't be surprised to hear that we cannot find them.

In response to this situation, we have decided to offer a trade in allowance on these models towards the purchase of a new Ray-Tech Infrared machine.

ALL POWERAY INFRARED MODELS

Ray-Tech Infrared will credit you **\$5,000 *** towards your purchase of any NEW Ray-Tech Infrared trailer or truck mounted machine in return for your Poweray Infrared machine. *(See details below)*

ALL RAY-TECH INFRARED MODELS BUILT BEFORE 2000

Ray-Tech Infrared will credit you **\$6,500 *** towards your purchase of any NEW Ray-Tech Infrared trailer or truck mounted machine in return for your Pre-2000 Ray-Tech Infrared trailer or truck mounted machine. *(See details below)*

OR
